RIFQY ALI RIDHO

Rembang, Indonesia | (+62) 857-1215-9280 | rifqyali@gmail.com | Portfolio | github.com/aliridho51

PROFESSIONAL SUMMARY

Information Systems graduate focusing on web-based system development, database management, and data analysis. Possesses strong expertise in designing and building applications using PHP, Python, and JavaScript ecosystems (Laravel, Next.js, CodeIgniter). Experienced in optimizing government agency website performance and executing visual design requirements comprehensively. Equipped with strong problem-solving skills, highly adaptable to new technologies, and ready to implement impactful technology solutions in a collaborative work environment.

WORK EXPERIENCE

Department of Communication and Informatics, Gresik Regency **Aug 2024 - Sep 2024**

Web Developer (Intern)

- Developed and implemented new features on the agency's website to enhance system functionality and improve overall user interactive experience.
- Conducted comprehensive testing and debugging processes to ensure application stability and minimize technical issues on web platforms.
- Improved website loading speed optimization and ensured consistent cross-platform display compatibility across various devices.
- Managed system maintenance and regularly updated digital information content utilizing Blogger and WordPress CMS platforms.

Percetakan Albab **Feb 2021 - Apr 2021**

Graphic Designer (Intern)

- Designed and produced printed promotional visual materials, including brochures, banners, and posters using CorelDRAW and Adobe Photoshop.
- Executed pre-press operations, encompassing color calibration, layout adjustments, and file format configuration to meet strict production standards.
- Collaborated seamlessly with the printing technician team to ensure color accuracy and high resolution on final products according to specific client requests.
- Managed commercial documentation through professional photo and video asset capture to support the needs of promotional campaign materials.

INTELLECTUAL PROPERTY (IP) & ACHIEVEMENTS

Software Copyright: SISMOP-PROMA **Jul 2026**

Ministry of Law and Human Rights of the Republic of Indonesia

- Designed and developed the application system "Free Nutritious Meal Program Distribution Monitoring Information System" (SISMOP-PROMA), and officially registered as the software creator under Recordation Number 001385090.
